

ONE HUNDRED FIRST LEGISLATURE

SECOND SESSION

LEGISLATIVE RESOLUTION 463

Introduced by Mello, 5; Harms, 48.

PURPOSE: The purpose of this interim study is to examine the feasibility of implementing a program similar to the StateStat management accountability process used for executive agencies in the State of Maryland. This interim study would examine the feasibility of a requirement that state agencies submit a report to the Appropriations Committee of the Legislature as part of their annual budget that includes a strategic plan and performance measurement report.

Specifically, this report would include the following metrics: Adopt a strategic plan and establish operational goals; adopt comprehensive performance measures and citizen satisfaction measures; collect and analyze data on a timely basis; participate in performance review; and regularly assess strategic plans and current progress made to meet stated goals.

This interim study will examine whether Nebraska state agencies are currently meeting the aforementioned requirements, their ability to meet the aforementioned requirements, the resources required to do so, and the steps necessary to implement a StateStat program for the State of Nebraska.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED FIRST LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That the Appropriations Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
